

FOR IMMEDIATE RELEASE

WhisperRoom™, Inc. to Exhibit at NAB 2011

March 2011 - WhisperRoom™, Inc. the leader in portable/modular sound isolation technology will be exhibiting at the NAB 2011 in Las Vegas this April. NAB (National Association of Broadcasters) is the leading annual convention specifically targeted to the media, entertainment and communications professionals around the world.

WhisperRoom has been a staple in the broadcast industry for years with clients utilizing the booths for not only broadcasting, but voice over, pod casting, post production, game development, and recording, to name just a few applications. WhisperRoom will have two units set up at the show at booth #SL5005. On exhibit will be a MDL 127LPS, a single wall, corner unit, as well as a MDL 4872E, a double-wall unit featuring the optional Wide-Access door, Caster Plate and XLR Panel.

WhisperRoom™, Inc. offers 20 sizes and two levels of sound isolation booths, a Standard (single-wall) and an Enhanced (double-wall). All models are upgradeable from a Standard to an Enhanced at any time, in order to accommodate clients' ever-changing needs. Sizes range from a modest 3.5' x 2.5' one-person unit to a room-size 8.5' x 15.5' unit. Most models are also expandable in various increments depending on the size.

Included with all WhisperRooms are basic ventilation systems with a remote switch, a door window, Auralex® acoustic foam sheets, cable passages and an interior light. Optional features available are XLR Panels, Wide-Access doors, Caster Plates, Wall Windows and more.

WhisperRooms can usually ship within 48 hours of purchase and offer a 5-year manufacturer's warranty, the best in the industry. Educational discounts, monthly specials and GSA pricing are also available.

We will be exhibiting at booth #SL5005. For more information about WhisperRoom visit www.whisperroom.com.

WhisperRoom™, Inc. . . . Reducing Sound to a Whisper Since 1990!
