

**FOR IMMEDIATE RELEASE**

## **WhisperRoom™, Inc. Teams with Intel Corp at NAB 2011**

**March 2011** - WhisperRoom, Inc. the leader in portable/modular sound isolation technology is excited to announce that they will be working with Intel Corporation at NAB 2011. Intel will be showcasing a WhisperRoom MDL 102144E (8.5' x 12') at the Intel theater (booth #SU823.) "We are extremely proud that a WhisperRoom sound enclosure will be used in the Intel booth" says Debbie Sweany, Sales Manager.

The WhisperRoom, an integral part of the Intel theater experience, will be utilized for an audio recording Master Class, filming interviews, and demo recordings using industry-leading products such as Gibson Guitars, Yamaha, Neumann and Sennheiser microphones as well as various touch-screen digital audio workstation (DAW) systems utilizing Intel technology.

WhisperRoom has been a staple in the broadcast industry for years with clients utilizing the booths for broadcasting, recording, voice-over, pod-casting, post production and game development, to name just a few applications.

"Intel® Xeon® processor-based storage solutions will be showcased at NAB in an audio recording studio, television broadcast studio and live performance venue," said David Tuhy, general manager, Intel Storage Group. "NAB attendees can enjoy a realistic audio recording studio experience in Intel's theater equipped by WhisperRoom's sound isolation technology."

WhisperRoom™, Inc. offers 20 sizes and two levels of sound isolation booths, a Standard (single-wall) and an Enhanced (double-wall). All models are upgradeable from a Standard to an Enhanced at any time in order to accommodate clients' ever-changing needs. Sizes range from a modest 3.5' x 2.5' one-person unit to a room-size 8.5' x 15.5' unit. Most models are also expandable.

Included with all WhisperRooms are basic ventilation systems with a remote switch, a door window, Auralex® acoustic foam sheets, cable passages and an interior light. Optional features available are Audio Jack Panels, Wide-Access doors, Caster Plates, Wall Windows and more.

WhisperRooms can usually ship within 48 hours of purchase and offer a 5-year manufacturer's warranty, the best in the industry. Educational discounts, monthly specials and GSA pricing are available.

WhisperRoom will be exhibiting at booth #SL5005. For more information about WhisperRoom visit our web site at [www.whisperroom.com](http://www.whisperroom.com).
