

## WhisperRoom™, Inc. Sponsors *That's Voiceover!* 2011 in Los Angeles

WhisperRoom™, Inc., the leader in sound isolation technology, is excited to be partnering with *That's Voiceover!* - the voiceover event of the year! *That's Voiceover!*, hosted by Joan Baker and Rolonda Watts, and including a panel of voice-industry leaders, is an in-depth workshop focusing on the ins and outs of the voiceover business. The event is scheduled for October 6, 2011 at the Pacific Design Center in Los Angeles, CA. Visit [thatsvoiceover.com](http://thatsvoiceover.com) for tickets and information. Thanks to Push Creative, the proceeds from this special event will benefit The Alzheimer's Association. "It is a privilege whenever WhisperRoom can contribute our time or product to benefit an important cause such as this," says Debbie Sweany, Director of Sales. WhisperRoom will have a MDL 4848E (4' x 4', Enhanced, double-wall) on display. It's a great opportunity to check out the superior quality and sound reduction of a WhisperRoom first hand.

WhisperRoom is proud to be sponsoring the *Audition Spotlight* at *That's Voiceover!* The *Audition Spotlight* is an opportunity for 30 specially-selected attendees to audition for great prizes, including a Neumann TLM102 Microphone, agency representation with TGMD talent agency in LA, and a paid booking for an on-air TV promo with CBS/KLAS, Las Vegas.

*That's Voiceover!* is a perfect fit for WhisperRoom because WhisperRooms are used all over the world for voice work including audio books, e-learning, translation, video game production, narration and much more. WhisperRoom clients range from major corporations such as NBC, Disney and Pixar to numerous well-known voice actors recording in the convenience of their own studios or homes. More than 30 percent of WhisperRoom clients are using their booths for voice work and the industry is expanding quickly with home-studio set ups making it easier to break into the business. With 20 sizes and two levels of isolation, a Standard (single-wall) and an Enhanced (double-wall), WhisperRoom has a voiceover booth to fit every need. Sizes range from a modest 3.5' x 2.5' one-person unit to a room-size 8.5' x 15.5' unit.

Included with all WhisperRooms are basic ventilation systems with a remote switch, a door window, Auralex® acoustic foam sheets, interior duct covers, and an interior light(s). Also available are a variety of optional features including Wall Windows, Audio Jack Panels, Caster Plates, Wide-Access doors and many more.

WhisperRoom™, Inc. offers a 5-year manufacturer's warranty, the best in the industry! In most cases, WhisperRoom orders ship within 24-48 hours from purchase. For more information about WhisperRoom visit the website at [www.whisperroom.com](http://www.whisperroom.com).
